## PHYSICAL RESOURCES COMMITTEE

Tuesday, November 10, 2009  
11:00 A.M.

Manistee County Courthouse & Government Center  
Board of Commissioners Meeting Room

### REPORT

Members Present: Ervin Kowalski, Chairperson; Carl Rutske; and Jim Krolczyk

Members Absent: None

Others Present: Thomas Kaminski, County Controller/Administrator; Dallas Strong, Johnstone Supply; Al Buck, Buck Heating & Cooling; Bruce Schimke, Maintenance Supervisor; Kendra Rohdy, Equalization Director (12:00 P.M. - 12:45 P.M.); Heather Vasquez, Appraiser/Assistant to Equalization Director (12:00 P.M. - 12:45 P.M.); Robert Van Putten, Landmark Design (via telephone 11:55 P.M. - 12:15 P.M.) and Rachel Nelson, Administrative Secretary

The meeting was called to order at 11:05 A.M.

### ITEMS REQUIRING BOARD ACTION

Mr. Schimke, Mr. Strong and Mr. Buck presented information on problems with the West Annex rooftop heating/cooling units. Areas of Floor 2R would be too hot while others were too cold. It was discovered that the problems were due to control system issues. The system isn't working properly, which effects temperature, humidity and indoor air quality, which in turn effects productivity and health. The new system being proposed will be able to use much of the existing system, which will reduce costs. The system will have a central controller which can control scheduling and networking and the rest of the building could gradually be added to the system if desired. The new system (APPENDIX A) will save money and energy. It was noted that Consumers and DTE offer rebates for installing energy saving equipment. Prior approval would be required, but the County may want to look into this program. Mr. Buck noted that it would take approximately two weeks for the system to be installed and that nothing would need to be shut off during the process.

**Mr. Kowalski recommended that Buck Heating & Cooling be hired for the maintenance issue of retrofitting the HVAC system in the West Annex of the Courthouse with the Zonex Plus Command Center for a total cost of \$6,245. Payment to be made from the Capital Improvement Fund #251. No alternative recommendation was proposed.**

Courthouse security issues were discussed with Mr. Van Putten via telephone. Mr. Kaminski stated that he needed direction for the next step. The Committee discussed the bullet-proof and barrier options, and it was noted that there probably won't be security in the lobby in the near future. After discussion,

**Mr. Rutske recommended to proceed with bullet-proof security for the Clerk's Office and Treasurer's Office and reconfiguration of the Juvenile Division and to authorize Landmark Design Group to begin preparing bid specs. No alternative recommendation was proposed.**

It was noted that the water heater at the jail could stop working at any time. If this happened, it would take a while to fix since the new water heater would need to be ordered and then installed. Mr. Schimke has received bids from two local contractors for this purchase and installation. After discussion,

**Mr. Rutske recommended that a new 97% high efficiency hot water heater be purchased for the jail at a cost of \$9,700. No alternative recommendation was proposed.**

Mr. Kaminski informed the Committee that a new Ford Escape has been ordered and will mostly be paid for with the insurance money from the Escape that was totaled. There had been discussion about also purchasing a four wheel drive truck. Mr. Kaminski noted that the County should consider keeping the current Dodge truck since many employees request to use the County vehicles. Mr. Kaminski added that \$66,900 is currently in the Vehicle Fund. Approximately \$30,000 will be spent on an Expedition for the Sheriff's Department (3 year finance), however, \$55,000 annually is added to the fund. Bids from all the local dealerships were reviewed (APPENDIX B). After discussion, it was decided that the 2010 4x4 Ford Ranger and the 2010 Dodge Dakota Big Horn were the favorites from the list. **Mr. Schimke will research these two vehicles more (miles per gallon, safety ratings, etc.) and have a recommendation for the Board of Commissioners.**

#### ITEMS NOT REQUIRING BOARD ACTION

Mr. Kaminski reviewed the following list of current projects and funds available in 2009/10 fiscal year:

- A) Jail Generator Project - (Completed) (\$70,325)

(Priority = High)
  - 2) Courthouse West Annex HVAC Control System Retrofit = \$6,245  
(Priority = High)
  - 3) Courthouse Security System Improvements for Clerk/Treasurer and Juvenile Division (\$30,000 to \$67,000) = \$30,000  
(Priority = High)

- 4) Courthouse E. Primus Door System Upgrade (\$2,000 per door x 76 doors = \$152,000. Could be done in phases.) (Priority = High)
  - 5) Jail Kitchen/Female Bed Expansion = \$1,200,000 (Priority = High)
  - 6) Jail Boiler Replacement. Could be combined with Jail Kitchen project financing = \$95,000 (Priority = High)
  - 7) Health Department Building Repairs (truss damage, wall sagging, parking lot, insulation) = ? (Priority = Medium to High depending on damage)
  - 8) Change Over Pneumatic Control System at Jail to Electronic = \$35,000 (Priority = Low)
  - 9) Courthouse Generator Installation (Possible Homeland Security Grant) = \$30,000 (Priority = Medium)
  - 10) Courthouse Energy Recovery Ventilators (12 Units) = \$70,000 - \$90,000 (Priority = Medium)
  - 11) Fairgrounds Capital Improvements = ? (Priority = Low)
- F) Amount of funding available less high priority projects excluding Jail expansion:
- |  |                    |
|--|--------------------|
| Funding Available =                            | \$379,480          |
| Less #1, #2, #3 (low est.), #4 (50%), #6 =     | <u>(\$216,945)</u> |
| Approx. Balance Remaining for Other Projects = | <u>\$162,535</u>   |
- (Note: If all of #4 were completed, the balance remaining would be \$86,535.)

The meeting adjourned at 12:45 P.M.
